

Think You Know
the Value
of a CPA?

Think Again.

The value we bring comes from what we value

WILKERSON GUTHMANN
CPAs & Business Consultants

We Value People.

Businesses Exist for People

Yes, businesses need to make a profit, but the profit is for people. A business's ultimate worth is found in its benefit to people.

Good businesses value people.

Good businesses enable employees to enrich their lives.

Good businesses strengthen the community.

Helping good businesses requires building strong relationships.

Wilkerson approaches people with dignity, trust, care, commitment. We communicate with honesty and clarity so that everyone works toward the same goals.

WHEN GOOD PEOPLE IN GOOD BUSINESSES WIN, WE ALL WIN.

The Business of Wilkerson is Business

Sound business decisions lead to success.

Sound tax and accounting advice will supplement that success. Planning for success will make success more probable. Tax and accounting wisdom will make that success more enjoyable.

We take the initiative to understand your business.

Thus, Wilkerson can offer sound business counsel along with tax and accounting advice you can trust, and we are able to help you stay in front of business issues and to plan for tomorrow.

We Value Business.

OUR BUSINESS IS ALL ABOUT YOUR BUSINESS.

We Value Integrated Knowledge.

Expertise with Creativity Yields Success

Businesses require both vision and implementation

Seeking to actualize a vision has caused many a business dream to evaporate, but effective implementation allows a dream to take on substance.

We integrate expertise and creative wisdom with entrepreneurial ideas to help turn dreams into realities.

Wilkerson teams with top-level professionals both inside and outside our firm to achieve the best solutions.

INDIVIDUALS EXCEL AT DREAMING; TEAMS EXCEL AT IMPLEMENTATION.

We Value
Long-Term Success.

Tenacity and Learning Deliver Solutions

A quick fix is often more quick than fix.

It takes integrity to resist simplistic shortcuts and it takes perseverance to build long-term solutions.

We are convinced that tenacity coupled with a commitment to lifelong learning will prevail over any complex issue.

Wilkerson is often asked to repair others' mistakes, but we focus on addressing a matter before repair becomes necessary. Fixing problems can prevent failure; solving complex issues can lead to success.

YOUR SUCCESS IS OUR SUCCESS.

If You Value
What We Value

We Should Talk.
